## TERMS AND CONDITIONS

## easyTrade – Terms and Conditions

These Terms and Conditions apply to clients that are about to purchase an easyTrade Vanilla options deal (hereinafter referred to as “easyTrade”).

By enabling the easyTrade, you agree to the following terms and conditions:

1. The amount to risk paid for the easyTrade is non-refundable.
2. The amount to risk cannot be more than the available free balance.
3. The amount to risk is pre-defined according to the account free balance. Please refer to Appendix A for further explanation.
4. Please note that, if there is not enough available free balance to cover the cost of the easyTrade amount to risk at the time of deal opening, any outstanding fees will be deducted from your credit/debit card which is attached to your trading account.
5. The amount to risk must be in the client’s account currency.
6. easyTrade amount to risk cannot be renewed and/or amended once it is exercised (or open the deal).
7. You must choose one of the following trade time (hereinafter referred to as “expiry time”) options:
  - a. 1 hour (default)
  - b. 3 hours
  - c. 6 hours
8. The amount to risk only covers the duration you chose prior to the deal opening and cannot be extended.
9. A deal will end at one of the following events, except if any unauthorized activity is observed:
  - a. Termination “closing deal” initiated by you;
  - b. It is the deal’s expiry time.
10. easyTrade can only be used on the easyMarkets trading platform.

11. When a deal is closed, the current payout amount will be returned to the account balance, in your account currency. The current payout amount will never be negative.
12. The expiry time of easyTrade option trades shall be before the trading hours as applicable in the website.
13. easyTrade is also available for demo trading.
14. easyTrade offers zero spot spread.
15. easyMarkets retains the right to disable the feature at its discretion at any time without prior notice.
16. easyMarkets retains the right to amend these terms and conditions at any time.

Note: easyTrade and Vanilla Options are leveraged products.

## APPENDIX A

- a. The default value of the amount to risk is equal to 25% of your free balance\*.

Example:

Minimum risk of the financial instrument ie EUR/USD	25 USD*
Maximum risk of the financial instrument ie EUR/USD	1000 USD*
Free balance:	200 USD*
Default /pre-calculated value	50 USD*

\*According to the account base currency.

**Important note:** You will be able to amend the default value, either with less “amount to risk” which will be subject to the minimum risk of the financial instrument or with more “amount to risk” subject to the maximum risk of the financial instrument you chose to trade.

The easyTrade rules shall be read in combination with our Client Agreement and the policies of easyMarkets that you can find on our Legal Page. In case of discrepancy between the easyTrade terms and conditions and the Client Agreement, the latter will prevail.
